Comprehensive Cancer Centers of Nevada Welcomes Pediatric Hematologist/Oncologist Lisa Johnson

Las Vegas— Lisa Johnson, MD, joined Comprehensive Cancer Centers of Nevada as a pediatric hematologist/oncologist.

Dr. Johnson earned her medical degree from Boston University School of Medicine, completed her pediatric oncology and hematology fellowship at the Medical University of South Carolina, and her pediatric residency at Sinai Hospital of Baltimore.

A New York native, Dr. Johnson is fluent in French and served in the U.S. Naval Reserve.

Comprehensive Cancer Centers of Nevada is the premier group of medical, pediatric and radiation oncologists in the state with seven cancer centers throughout the greater Las Vegas Valley. The radiation oncology services offered by the group are accredited by the American College of Radiology. With a specialized physician and nursing staff, Comprehensive Cancer Centers of Nevada offers sophisticated diagnostic tools, the latest advances in cancer treatment, a full range of innovative, exclusive services and research-based care in a supportive and caring environment. Physicians are board-certified in the fields of medical oncology, hematology, pediatric oncology and radiation oncology. The group is comprised of 17 medical oncologists, six radiation oncologists and three pediatric oncologists. Comprehensive Cancer Centers of Nevada is affiliated with US Oncology, the largest network in the nation treating cancer patients. The association provides practice physicians with the opportunity to confer and consult with more than 900 physicians nationwide regarding patient care and research protocols.
