Comprehensive Cancer Centers of Nevada Appoints Practice Administrator

Las Vegas – Comprehensive Cancer Centers of Nevada (CCCN) appointed Jon Bilstein as practice administrator for its 3730 S. Eastern office. Bilstein will oversee the medical office's day-to-day operations.

Bilstein brings more than 10 years of experience in the medical industry to his new position. Prior to joining CCCN, Bilstein served as patient relations manager for Desert Radiologists, responsible for smooth operations within non-ancillary departments, physician relations and ensuring patient satisfaction.

Comprehensive Cancer Centers of Nevada is the premier group of medical, pediatric and radiation oncologists in the state with seven cancer centers throughout the greater Las Vegas Valley. The radiation oncology services offered by the group are accredited by the American College of Radiology. With a specialized physician and nursing staff, Comprehensive Cancer Centers of Nevada offers sophisticated diagnostic tools, the latest advances in cancer treatment, a full range of innovative, exclusive services and research-based care in a supportive and caring environment. Physicians are board-certified in the fields of medical oncology, hematology, pediatric oncology and radiation oncology. The group is comprised of 17 medical oncologists, six radiation oncologists and three pediatric oncologists.

Comprehensive Cancer Centers of Nevada is affiliated with US Oncology, the largest network in the nation treating cancer patients. The association provides practice physicians with the opportunity to confer and consult with more than 900 physicians nationwide regarding patient care and research protocols.
