

Dr. Boraitch.

One of the things in my life
I've always tried to do is be
grateful & show my appreciation
often. I'm taking this time to
thank you for taking such
good care of me and for
showing me compassion and
patience. I know your job isn't
easy & you have 100's of patients
but you still make me feel
as important as any other
and for that I'm grateful!
